Application for Membership

Date _____, 20____

To: Members of the Palmer Engine & Hose Company

I, _____ hereby make application for active membership in the fire company and promise to comply with all laws, rules, and regulations of the Company.

I understand the following sections of the Company's By-Laws specifically apply and must be observed:

Article VII – Section 1: Any active member voted into the Company must comply with the Officer's checklist as specified in Article IV. Section 3 and attend 50% or more of the fire drills each year for the first two years, attend Basic Firefighter, if available, or be subject to expulsion as in Article X. Section 2.

Article VII – Section 2: It shall be the duty of every active member to respond to every alarm of fire, to attend fire drills, to discharge all duties assigned by the commanding official, to attend all the Company's meetings and to use the utmost endeavors to prevent improper use of the Company's property.

I hereby signify I am physically and mentally fit to perform such duties as my membership shall require. I also understand that I will be required to pass a physical examination provided by a Company appointed physician to remain an active member of the Palmer Engine & Hose Company.
